

Greetings from St Andrews
September 2019

TEARS OF SADNESS.

This month we have said
goodbye to a great carer
and a good friend, Lyndsey.
She has gone off to the
wilds of Scotland and
we all wish her well in her
new venture.

TEARS OF JOY

Cranwell Military Wives
came and entertained us
at the beginning of the
month. This was enjoyed
by all who attended, and
we hope they will return
very soon.

ALL CHANGE

The office area in the main lounge has been revamped, giving a more confidential area in for staff to work in. It made for a difficult week while building took place, but being One Big Team, we got through it without disaster.
