

GREETINGS FROM ST ANDREWS

SUMMER FAIR

The weather tried to beat us at this years summer fair, but we switched the venue to indoors, and carried on regardless. This had no impact on the visitors that came and enjoyed the fun, the barbecue still went well, and in total we raised £550 for the residents fund. A big thank you to all that came and helped, donated raffle prizes, or showed support on the day.

MEET TEDDY !!

Teddy is our new visitor, who comes along with Mary the PAT dog, and their owner Dot. He is very young, and very well behaved, and Dot id hoping he will become a PAT dog himself, in the future

HOLIDAYS

I had a week off this month, and left Dee to provide activities for the residents. It would seem they had a lot of fun while I was off, and I would like to thank Dee for doing a grand job !!
